PRE-MEETING CADAVER COURSE

Ossama Al - Mefty, MD

I. DUYURU

Dear Colleagues,

As you know International Society of Microsurgical Anatomy has been established by Prof. Rhoton and his fellows empathizing the importance of microsurgical anatomy knowledge and research in the field of neurosurgery. On behalf of the Organizing and Scientific Advisory Committees of the ISMA 2015 Conference, I would like to invite you to join us in Istanbul on October 08-10, 2015 where 6th Congress of the society will take place. It is our honor and pleasure to announce that there will be also pre congress hands - on course at Prof. Rhoton Microsurgical Laboratory which is located in Bahcesehir University School of Medicine in Istanbul.

Scientists and professionals in the general field of Microsurgical Anatomy come together for this high profile scientific meeting. Featuring speakers and participants from all over the world, this conference acts as a platform that provides ample opportunity for researchers, clinicians and professionals to not only share information, but also to establish a network essential for future collaborations.

Based on the increasing number of participation over the past few years, we expect to act as host to nearly 200 attendees from around the globe in Istanbul, a city known for its unique historical wealth and cultural attractions. As a bridge between the east and west, Istanbul will be the perfect backdrop for this international meeting. October is one of the best times of year to visit Istanbul and enjoy thousand year old churches, mosques, palaces and the blue waters of the Bosphorus.

All of us on the ISMA committees look forward to seeing you in Istanbul for ISMA 2015.

Honorary President

Erdener Timurkaynak, MD

President

Türker Kılıç, MD, PhD

SCIENTIFIC COMMITTEE

Gökmen Kahiloğulları, MD, PhD

Hasan Kocaeli, MD.

Hüseyin Hayri Kertmen, MD.

Soner Şahin, MD.

LOCAL ORGANISING COMMITTEE

Deniz Konya, MD.

Akın Akakin, MD.

Zafer Orkun Toktaş, MD.

Baran Yılmaz, MD.

Orkun Koban, MD.

TOPICS

Skullbase Approaches

Endoscopic Cranial Approaches

Ventricular Approaches

Intrinsic Anatomy and Brain Tumors

Fundamentals of Surgical Planning

REGISTRATION FEES

Registration Type	Early registration deadline September 11, 2015	late registration will be valid after September 11, 2015	On-Site
Specialist (TNS Member)	300 TL	350 TL	400 TL
Specialist (Non Member)	400 TL	450 TL	500 TL
Assistant & Nurse	150 TL	200 TL	200 TL
Company Representatives	400 TL	450 TL	500 TL

The registration fees include;

- **Admission** to all scientific sessions and activities,
- **Entry to** all scientific and commercial exhibition areas
- **Documents;** Bag, program and abstract book, name badge, participation certificate,
- Welcome cocktail,
- Lunches and coffee breaks indicated in the program,
- VAT will be added to registration fees.

HANDS-ON CADAVER COURSE

Registration Type	Early registration deadline September 11, 2015	late registration will be valid after September 11, 2015	On-Site
TNS Member	1000 TL	1500 TL	-
TNS Non Member	1500 TL	2000 TL	-
Assistant & Nurse	-	-	-
Company Representatives	-	-	-

- Participation is limited to 30.

The registration (non-accommodating) fees include;

- VAT will be added to the Hands-on cadaver course free.

ACCOMMODATION

Hotel	Early registration deadline September 11, 2015	late registration will be valid after September 11, 2015
Çırağan Hotel ***	500TL	600 TL
La Maison ***	750 TL	850 TL

- Participation is limited to 30.

- The accomodation rates are in Bed&Breakfast basis and VAT will be added.
- All hotels are in walking distance to symposium venue*
